## **Training Opportunity! - Commercial SCUBA Dive Program**

MDFG is looking for 2 members to take a Commercial Scuba Dive Program. MDFG conducts herring dive surveys and works with a diver and would like to see our own members participate in this work, but there are many other fisheries related career opportunities in dive certification!

The Commercial Scuba Diver course is a short, but thorough program that will give you the training and expertise to enter your chosen career with confidence. Upon completion, graduates are certified to CSA standards as a Commercial Scuba Diver, allowing them to conduct commercial diving operations using scuba equipment to a maximum depth of 30 metres (100 feet).

### Requirements:

- dive physical (must be completed ASAP)
- high school diploma or equivalency,
- must be 18 years of age or older
- proficient in English, reading and writing.
- Must be fully vaccinated.

The program runs for 6 weeks, March 1 – April 13, 2022, in Campbell River with DiveSafe International.

Deadline for applicants: January 14, 2022.

Please contact Melissa Willie at [fisheries@mdfgfisheries.ca](mailto:fisheries@mdfgfisheries.ca), or call 250-202-3890 or 250-974-4258, if you are interested and able to complete a medical immediately and commit to the dates provided.
